

# We The Kings - Where I Belong (feat. Simple Plan & State Champs)

tom:

Intro: <sup>G</sup> E

[Primeira Parte]

<sup>E</sup> I'm looking in the rearview mirror  
 Everything looks the same  
<sup>A</sup> There's nothing but broken streetlights  
<sup>Gb</sup> <sup>A</sup> <sup>E</sup> And I'm just trying to escape  
 I'm waiting on a distant feeling  
 I'm waiting for things to chance  
<sup>A</sup> It's getting hard to ride on empty  
<sup>Gb</sup> <sup>A</sup> <sup>B</sup> But maybe I'm not so far away  
<sup>A</sup> 'Cause it feels like home  
 [Refrão]

<sup>E</sup> I found a reason  
 And suddenly I'm not so alone  
 I'm finally breathing  
 Like I never could on my own  
 Start the countdown, let's get it on  
 Scream our lungs out to our favorite song  
 'Cause this is where I belong  
 This is where I belong  
 ( E )

[Segunda Parte]

<sup>E</sup> I can tell you just don't get it  
 And that you'll never understand  
<sup>A</sup> I'm sorry that I can't be perfect  
<sup>Gb</sup> <sup>A</sup> <sup>E</sup> But I'm not changing who I am  
 Maybe there's no destination  
 Maybe I'm gonna make mistakes  
<sup>A</sup> Let you in on one of my secrets  
<sup>Gb</sup> <sup>A</sup> <sup>B</sup> I'm still just as lost as yesterday  
<sup>A</sup> But it feels like home

[Refrão]

<sup>E</sup> I found a reason  
 And suddenly I'm not so alone  
 I'm finally breathing  
 Like I never could on my own  
 Start the countdown, let's get it on  
 Scream our lungs out to our favorite song  
 'Cause this is where I belong  
 This is where I belong  
 [Ponte]

<sup>Db</sup> Look past the warning signs  
<sup>A</sup> The same ones that told me  
<sup>B</sup> "Yeah, you can't turn back and run  
<sup>A</sup> Play it safe before you come undone"  
<sup>Db</sup> If you saw through my eyes  
<sup>A</sup> This view is worth it  
<sup>B</sup> Can't believe me when I say  
 There's no place in this world I'd rather be  
 [Refrão]

<sup>E</sup> I found a reason  
 And suddenly I'm not so alone  
 I'm finally breathing  
 Like I never could on my own  
 Start the countdown, let's get it on

 'Cause this is where I belong  
 This is where I belong
