

We the Lion - Part Of The Wind

Tom: G
 Intro: Ab Db Ab Db Ab
 Be a part of this river
 Take a piece of my soul
 Find a place, you'll be near
 I just close my eyes and go
 I know you're watching me somewhere
 In a place where we all belong
 Where the fear say no longer
 What is right or what is wrong
 Hey
 You'll always be, part of the wind
 The light in my home
 you'll always have, a part of myself
 A piece of my soul, piece of my soul
 Even though you're not here
 I know it seems like you're gone
 But I feel you my dear
 You never left, I've always known
 You are my biggest emotion
 And you'll be, forever long
 So go, go, go, just go

Hey
 You'll always be, part of the wind
 The light in my home
 You'll always have, a part of myself
 A piece of my soul
 You're free
 From life as it is
 Love is all we need
 You'll live inside of me
 As my sweet memory
 Hey
 You'll always be, part of the wind
 The light in my home
 You'll always have, a part of myself
 A piece of my soul
 You'll always be, part of the wind
 The light in my home
 You'll always have, a part of myself
 A piece of my soul, piece of my soul
 Piece of my soul
