

# We Were Evergreen - Chromosomes

Tom: C

Intro:

G (just bass)

Out, out, out of breath,

Cm

It's about time someone mentioned it,

G

I don't want to be like everyone else

G

Roll, roll, roll about,

Cm

Like you have another have to live without,

G

Would you fit in the gaps, I never counted

Interlude:

G Bm C D

G Bm C D

Verse:

G

I'm, I'm unannounced,

Bm

I can just bounce 'til the morning comes,

C

I guess it saves the work, this is the workout

G

But, but, mine is yours,

Bm

Metaphasing is a daily chore,

C

Lost my place in the great chromatid now

Chorus:

C G

All the other chromosomes,

Walking past, walking past, but not me

C G

All the other chromosomes,

Walking past, walking past, but not me

C G

All the other chromosomes,

Walking past, walking past, but not me

C Bm

All the other chromosomes,

Walking past, walking past, but not me

C G

All the other chromosomes,

Walking past, walking past, but not me

C G

All the other chromosomes,

Walking past, walking past, but not me

C G

All the other chromosomes,

Walking past, walking past, but not me

C G

All the other chromosomes,

Walking past, walking past, but not me

C G

All the other chromosomes

Interlude:

G Bm C D

G Bm C D

Verse:

G

Take, take, take control,

Bm

We will not crash if you're not involved,

C

In the great scheme of life,

Dm

We'll live without you

G

Girl, girl, on your own,

Bm

Battleship mount from the outer doors,

C

Fight against, what's the point?

Dm

Look at the odds

Chorus:

C Bm

All the other chromosomes,

Walking past, walking past, but not me

C Bm

All the other chromosomes,

Walking past, walking past, but not me

C Bm

All the other chromosomes,

Walking past, walking past, but not me

C Bm

All the other chromosomes,

Walking past, walking past, but not me

C Bm

All the other chromosomes,

Walking past, walking past, but not me

C G

All the other chromosomes,

Walking past, walking past, but not me

C G

All the other chromosomes,

Walking past, walking past, but not me

C G

All the other chromosomes,

Walking past, walking past, but not me

C G

All the other chromosomes,

Walking past, walking past, but not me

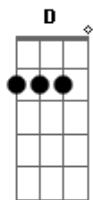

C G

All the other chromosomes,

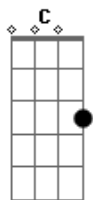

Walking past, walking past, but not me

C G
