

# Weathers - Happy Pills?

Tom: G

I take my pills and I'm happy  
 All the time  
 I'm happy all the time  
 I'm happy all the time  
 I love my girl but she ain't  
 Worth the price  
 She ain't worth the price  
 No, she ain't worth the price  
 La, rarara, ra ra ra  
 La, rarara, ra  
 We can go to my house if you  
 Wanna  
 Hang out in my bedroom, lose  
 Your honor  
 Even if they find us we're  
 Apathetic  
 And they can't take that away  
 I take my pills and I'm happy  
 All the time  
 I'm happy all the time  
 I'm happy all the time  
 I love my girl but she ain't  
 Worth the price  
 She ain't worth the price

A

No, she ain't worth the price  
 The voices in my right brain are  
 Kinda funny  
 They tell me to take a deep  
 Breath, it's always sunny?  
 But where I leave the lights on  
 It's so obvious that my life's  
 Pretty plain

Am Em

I take my pills and I'm happy  
 All the time  
 I'm happy all the time  
 I'm happy all the time  
 I love my girl but she ain't  
 Worth the price  
 She ain't worth the price  
 No, she ain't worth the price  
 We take strange things to feel  
 Normal  
 We take strange things to feel  
 Normal  
 We take strange things to feel  
 Normal  
 La, rarara, ra ra ra  
 La, rarara, ra
