

# Weezer - Butterfly

Tom: G

Verse 1:

(G) (Em) (C)  
 Yesterday I went outside  
 (D) (G)  
 With my momma's mason jar  
 (Em) (Fill)  
 Caught a lovely butterfly  
 (G) (Em) (C)  
 When I woke up today  
 (D) (G)  
 Looked in on my fairy pet  
 (Em) (C) (Fill)  
 She had withered all away  
 (D)  
 No more sighing in her breast  
 Chorus:  
 (D) (G)  
 I'm sorry for what I did  
 (Em) (C)  
 I did what my body told me to  
 (D) (G)  
 I didn't mean to do you harm  
 (G7) (C) (D)  
 Everytime I pin down what I think I want  
 (G) (Fill)  
 It slips away - the ghost

(C)  
 slips away  
 Verse 2  
 (G) (Em) (C)  
 I smell you on my hand for days  
 (D) (G)  
 I can't wash away your scent  
 (Em) (Fill)  
 If I'm a dog then you're a bitch  
 (G) (Em) (C)  
 I guess you're as real as me  
 (C) (D)  
 Maybe I can live with that  
 (Em) (C)  
 Maybe I need fantasies  
 (Fill) (D)  
 A life of chasing butterfly  
 --Chorus--  
 Verse 3:  
 (G) (Em) (C)  
 I told you I would return  
 (D) (G)  
 When the robin makes his nest  
 (G) (Em) (C)  
 But I ain't never coming back  
 (G) (Em) (C)  
 I'm sorry, I'm sorry, I'm sorry
