

Weezer - Damage in your heart

Tom: G

One more time
I have crossed the line
Now you won't be mine anymore

One more dream
Vanished up in smoke
Now I have no hope anymore

Let it go
The damage in your heart
Let it go

The damage in your heart
I can't tell you how the words have made me feel
I can't tell you how the words have made me feel

One more tear
Falling down your face
Doesn't Mean that much to the world

One more loss
In a losing life
Doesn't hurt so bad anymore.
