

# Weezer - Dope Nose

Tom: C

Ps. I don't have the solo but you can improve with the pentatonic minor scale on the 5th fret.

Chords your going to need-

A D A E E#

=Palm mute

Intro: -

A D A

Verse

A D A

Dead, on my head

A E A

Waisting time, on my own

(little Lynyrd Skynyrd type riff[riff A]-

A D A

Sleep, rescues me

A E

Take me back

A

## Acordes

© ukulele-chords.com

© ukulele-chords.com

© ukulele-chords.com

© ukulele-chords.com

To my home

Chorus-

D A  
For the times  
E A  
That you wanna go and  
D A E  
Bus rides real slow  
D A  
Ill be there  
E A  
Slap you on the face and  
D A E  
Enjoy the show...  
E#  
Its Dope Nose...  
(repeat intro)

That should get you through the whole song, what ive tabbed out will work for both verse and both choruses. Sorry I don't have the solo, but when I do figure it out, Ill put it here first.

Love, Andy
