

# Weezer - Funtime

Tom: **Gb**

Light and Separated

FUNTIME TAB

TABBED BY PEANUTFARMER

CHORUS:

Light and Separated

The audio is far too poor of quality to listen how it goes precisely, but it's pretty good!

SOLO COMING SOON

I figured it all out but the solo, cause its too long and fast for me too do now, I'll prob post is separately or make a VER. 2 with any other changes (if I find any). I think, however, this is a good way to play it.

THIS WILL GET YOU STARTED IF YOU ATTEMPT IT YOURSELF

hold bend ~ ~

VERSES:

Light and Separated

Indicates a grace bend: strike the note and bend up as indicated. The first note does not take up any time.

OUTRO of SOLO

Guitar 2 - Play 4 times. On last time, slam the last G#s.

The Little Break - This then proceeds through first half of second verse, when second half begins, the first verse is played again through that.

OUTRO

PLAY CHORUS and Slam chords like above as it starts to end, substituted for last part of chorus.
