

Weezer - I Don't Want Let You Go

Tom: G

G
 All the times you came to me and told me that you cared
Em
 I was dreaming of happy days that we both could share
C
 Maybe I got too excited and maybe you freaked out
D
 Maybe I just have to call you up and scream and shout

G
 All my friends tell me that I ought to play it cool
Em
 No one likes too much attention from a desperate fool
C
 Still I don't believe that I could keep it all inside
D
 When I see your pretty face I almost want to cry

G **Em** **C**
 I know it isn't right, but still I have to fight
D **G**
 I have to let you know, I don't want to let you go
Em **C**
 The pain is killing me, but I can't let it be
D **G**
 I have to let you know, I don't want to let you go

(G Em C D)

G
 I remember the days when I was stronger than a wall
Em
 Try as anybody might, they couldn't move me at all
C
 Now I fall to pieces when you softly call my name
D
 Going up in smoke like a moth within your flame

G
 I have lost all hope for being normal once again
Em
 I will be a slave to you until the bitter end
C
 Even if it's a hundred years before you change your mind
D
 I will be here waiting girl until the end of time

G **Em** **C**
 I know it isn't right, but still I have to fight
D **G**
 I have to let you know, I don't want to let you go
Em **C**
 The pain is killing me, but I can't let it be
D **G**
 I have to let you know, I don't want to let you go
