(feedback)

If you want it, you can have it  
 But you've got to learn to reach up there and grab it  
 Cause everybody wants some love (oh baby)  
 Shooting from the stars above (oh baby)  
 And though my heart will break  
 There's more that I could take  
 I could never get enough  
 If you need it, you should show it  
 Cause you might place home and I think that you grow it (?)

Cause everybody wants some more (oh baby)  
 Something they can barely know (oh baby)  
 And though my heart will break  
 There's more that I could take  
 I can never let it go

Db Gb A

 There's more that I could take  
 I can never let it be
