

Weezer - Run Away

tom:
D

I thought you would always be my friend
 Now everything must end
 And so the world moves on
 And everything must go

When I'm looking at the night sky, I can see my soul
 I can see the little lights flashing at each other up above
 (A)
 Is it us making love in the Milky Way, long before we threw it
 all away?

Hey, you
 We're running out of time
 And you know it's true
 I just want to run away from here with you
 Tonight
 Tonight
 Tonight

Sometimes I wish I was a house at the end of the block

You could smash all my windows with the throw of a rock
 And make the hurt go away, come again some other day
 There's so much I want to say about

You
 We're running out of time
 And you know it's true
 I just want to run away from here with you

I thought you would always be my friend
 Now everything must end
 And so the world moves on
 Cuz everything must change
 And now you're all alone
 You're sitting by the telephone
 You wonder why
 Everyone will cry
 Tonight
 Tonight
 Tonight
 Tonight
 Tonight
