

Weezer - Thank God For Girls

Tom: C

[VERSE 1]

The girl in the pastry shop with the net in her hair
 Is making a cannoli for you to take on your hiking trip
 In the woods with your bros that you've known since second grade
 And you may encounter dragons or ruffians and be called upon
 To employ your testosterone
 In a battle for supremacy and access to females glued to the TV
 And even if you are victorious you may receive many cuts, bruises, and scrapes
 And you will require band aids and antiseptic ointments
 And tender loving kisses on your stab wounds and when you come home
 She will be there waiting for you with a fire in her eyes
 And a big fat cannoli to shove in your mouth
 And that's why you

[CHORUS]

Thank God for girls
 Holla Jesu Christe
 From Tennessee to LA
 Thank God for girls
 On your reckoning day
 You better bow down and pray
 She's so big
 She's so strong
 She's so energetic in her sweaty overalls
 Thank God for girls

[VERSE 2]

I'm so glad I got a girl to think of even though she isn't mine
 I think about her all the day and all the night it's enough to know that she's a-live
 She says I give her sweaty palms she almost had a heart attack
 The truth is that I'm just as scared I don't know how to act

I wish that I could get to know her better
 But meeting up in real life would cause the illusion to shatter
 I carved her name into all the trees
 Sang a song down on one knee
 Looking at the underwear page of the Sears catalog like when I was 14
 I'm levitating like a magnet turned the wrong way around
 I'm like an Indian Fakir tryna' meditate on a bed of nails with my pants pulled down

[CHORUS]

Thank God for girls
 Holla Jesu Christe
 From Tennessee to LA
 Thank God for girls
 On your reckoning day
 You better bow down and pray
 She's so big
 She's so strong
 She's so energetic in her sweaty overalls
 Thank God for girls

[VERSE 3]

God took a rib from Adam, ground it up in a centrifuge machine
 Mixed it with cardamom and cloves, microwaved it on the popcorn setting
 While Adam was like "that really hurts"
 Going off into the tundra, so pissed at God
 And he started lighting minor forest fires, stealing osprey eggs
 Messing with the bees who were trying to pollinate the echinacea
 Until God said, "Imma smite you with loneliness
 And break your heart in two"
 And Adam wept and wailed, tearing out his hair, falling on his knees
 Looked to the sky and said
 "Thank God"

Acordes
