tom:  
E (forma dos acordes no tom de F )  
Afinação: Eb Ab Db Gb Bb Eb

Die, die, you zombie bastards

We know what you want

Welcome to the jungle, to the jungle

Baby, it's you and me

Walk between the raindrops, 'tween the raindrops

Singing along to Queen

My heart pumps Kool-Aid

Everybody's playin' it safe, la-dee-da

Dig a little deeper, a little bit deeper

Baby, it's you and me

That's right

Music saved my life

Wild eyes

We don't have much time

Die, die, you zombie bastards

We know what you want

Die, die, you zombie bastards

Keep on, blah, blah, blah

We can go up, we go down

We gon' run you out of town

We can go up, we go down

We'll be seein' you around

Yeah

Die, die, you zombie bastards

I don't know karate or kung fu

But I'm gonna make it in this world

Won't be pumping diesel

For mean people

I'm a fight back with words

Listen to reason

Or we'll get cast out of Egypt, la-dee-da

I'm just tryin' to live

And get my kicks

And you gotta be human first

That's right

Music saved my life

Wild eyes

We don't have much time

Die, die, you zombie bastards

We know what you want

Die, die, you zombie bastards

Keep on, blah, blah, blah

We can go up, we go down

We gon' run you out of town

We can go up, we go down

We'll be seein' you around

Yeah

Die, die, you zombie bastards

Die, die, you zombie bastards

If I die, it means that I

Lived my life and that's much better than

Hidin' in a hole

Die, die, you zombie bastards

Die, die, you zombie bastards

We know what you want

Die, die, you zombie bastards

Keep on, blah, blah, blah

We can go up, we go down

We gon' run you out of town

We can go up, we go down

We'll be seein' you around

Yeah

Die, die, you zombie bastards
