

Weird Al Yankovic - Skipper Dan

tom:

I started in every high school play
 Blew every drama teacher away
 Graduated first in my class at Julliard
 Took every acting workshop I could
 And I dreamed of Hollywood
 While I read my Uta Hagen, and studied the Bard
 Hit the boards and paid my dues
 And got phenomenal rave reviews
 I knew the world was gonna love me, without a doubt
 I was sure that Tarantino would be calling me on my phone
 Annie Liebowitz would shoot me for Rolling Stone
 But the years have come and gone and I'm sorry to say
 That's not the way that it's all worked out

I'm a tour guide on the Jungle Cruise ride
 Skipper Dan is the name
 And I'm doing 34 shows every day
 And every time it's the same
 Look at those hippos, they're wiggling their ears
 Just like they've done for the last 50 years
 Now I'm laughing at my own jokes, but I'm crying inside
 'Cause I'm working on the Jungle Cruise ride

Oh the critics they used to say, I was the new Olivier
 Thought I'd be the toast of Sundance, or maybe Cannes
 Ah, but don't bother trying to IMDB me
 The only place you might possibly see me
 Is riding my little boat around Adventureland

It ain't exactly what I planned but
 I'm a tour guide on the Jungle Cruise ride
 Skipper Dan is the name
 And I'm doing 34 shows every day
 And every time it's the same
 I would've killed if I'd been in Speed-the-Plow
 But what's the difference that's all behind me now
 'Cause I'm paying the rent and I'm swallowing my pride
 And I'm working on the Jungle Cruise ride

I should be there on Broadway
 Knocking 'em dead in 12 Angry Men
 But instead I'm here telling these lame jokes
 Again, and again, and again, and again
 And again, and again, and again

(Eb Bb Ab Eb Ab Eb Bb)
 (Cm Gm Ab Eb Ab Eb Bb)

I should've listened when my Grandfather said
 Why don't you major in business instead?
 Now my hopes have all vanished and my dreams have all died
 And I'll probably work forever as a
 Tour guide on the Jungle Cruise ride
 Skipper Dan is the name
 And I'm doing 34 shows every day
 And every time it's the same
 Look at those hippos, they're wiggling their ears
 Somebody shoot me 'cause I'm bored to tears
 Always said I'd be famous, I guess that I lied
 'Cause I'm working on the Jungle Cruise ride
 I'm still working on the Jungle Cruise ride
