

Paul Weller - Cobweb / Connections

tom:

D

[Primeira Parte]

Can you see the good things in your life
 See what's really happening and why
 Hear that distant bell so clear and bright
 Heralding a new day. Somewhere, all connected
 In your mind
 Can you jump for joy and clap in time
 Not a trace of goodness you could find
 Is there not a moment you could cite
 That takes you through the back roads
 Down by the river. Somewhere in the cobwebs
 Of your mind

[Refrão]

So don't go
 And get by
 'Cause that's not life
 It's just getting through the day

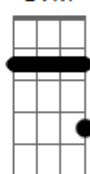

So I say
 Change today
 Save yourself
 And save all those around you too
 [Solo] D A D
 [Ponte]
 And all the pictures you've been shown
 Were made from paper, not from stone
 But only you can now decide
 How old and new worlds will collide

[Refrão]

So don't go
 And get by
 'Cause that's not life
 It's just getting through the day
 So I say
 If I may
 Save yourself
 And save all those around you too
