

# Paul Weller - Flying Fish

tom:  
[Primeira Parte]  
See, like fishes in a stream  
Caught up in a net trying to be free  
I try, try to catch a ride  
A luscious flying fish leaping in a stream

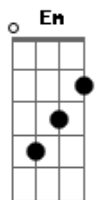

[Refrão]  
So I look around  
And I hear that sound  
As a million stars  
Lift me up so far  
And I wonder why  
When I look into the sky  
Oh, such fine fish  
Can end up like this

[Verso]  
Still, the roads are silent too  
No car, no bus, no clue  
Stuck between two walls  
I seem slight  
Like echoes down a pint  
Whispers late at night  
But nothing I can see

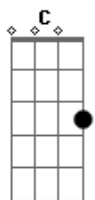

[Refrão]

So I look around  
And I hear that sound

As a million stars  
Lift me up so far  
And I wonder why  
As I look into the sky  
How such fine fish  
Can end up like this

[Ponte]

When I was dreaming  
(Look out, look out)  
Something was happening  
(Look out, look out)

[Segunda Parte]  
Stream, this shit out of a dream  
Caught up in the thread  
Of plots we'll soon forg?t

[Refrão]

So I look around  
And I hear that sound  
As a million stars  
Lift me up so far  
And I wonder why  
As I look into th? sky  
How such fine fish  
Can end up like this
