

# Paul Weller - Long Long Road

Tom: C

In the times <sup>C</sup> too far to you <sup>G</sup>  
 In the places <sup>Am</sup> I once knew <sup>F</sup>  
 And never <sup>C</sup> footstep that I've taken <sup>G</sup>  
 Was just one <sup>F</sup> step I took to you <sup>G</sup>  
 In strangers <sup>C</sup> passing by <sup>G</sup>  
 To the castles <sup>Am</sup> in my eyes <sup>F</sup>  
 And in the <sup>C</sup> busy streets and markets <sup>G</sup>  
 Where I look <sup>F</sup> baby, I look for you <sup>G</sup>

Ohh <sup>F</sup>  
 And I know <sup>C</sup> it's a long long road <sup>Dm</sup>  
 That we walk <sup>Em</sup> together but as one <sup>Dm</sup>  
 There's no <sup>C</sup> longer two  
 Oh, me and you <sup>Dm</sup>  
 When the road <sup>Em</sup> gets rough  
 We gotta pull <sup>Dm</sup> together Ooh-oohh  
 Ooo-oohh <sup>C</sup> <sup>Dm</sup>  
 Ooh-oohh-oohh <sup>Em</sup> <sup>Dm</sup> <sup>G</sup>

When the time <sup>C</sup> no longer sides <sup>G</sup>  
 There'll be <sup>Am</sup> choices I won't decide <sup>F</sup>  
 And when <sup>C</sup> that times comes <sup>G</sup>  
 I'll go <sup>Am</sup> through it <sup>G</sup>  
 With what <sup>F</sup> I've learnt baby <sup>G</sup>

From loving <sup>C</sup> you  
 Ohh, ooh <sup>F</sup>  
 There's so <sup>C</sup> many roads that you can go down <sup>Dm</sup>  
 So many <sup>Em</sup> lonely lives can be found <sup>Dm</sup>  
 Many lead <sup>C</sup> nowhere  
 And I had <sup>Dm</sup> my share  
 An' that <sup>Em</sup> lonely life just ain't that good <sup>Dm</sup>  
 Yes I know <sup>C</sup> (Yes I know, Yes I know)  
 It's a long <sup>Dm</sup> long road <sup>Em</sup>  
 That we walk <sup>Dm</sup> together, but as one  
 Yes I know <sup>C</sup> (Yes I know, Yes I know)  
 It's a long <sup>Dm</sup> long road (It's a long long road)  
 That we walk <sup>Em</sup> together (That we walk together)  
 But as one <sup>Dm</sup> (But as one)  
 There's no <sup>C</sup> longer two (Yes I know, Yes I know)  
 Oh, me and you <sup>Dm</sup> (It's a long long road)  
 When the road <sup>Em</sup> gets rough (That we walk together)  
 We gotta pull <sup>Dm</sup> together  
 Yes I know <sup>C</sup> (Yes I know, Yes I know)  
 It's a long <sup>Dm</sup> long road (It's a long long road)  
 That we walk <sup>Em</sup> together (That we walk together)  
 But as one <sup>Dm</sup> (But as one)  
 Yes I know <sup>C</sup>
