

Paul Weller - Long Long Road

Tom: C

In the times ^C too far to you ^G
 In the places ^{Am} I once knew ^F
 And never ^C footstep that I've taken ^G ^{Am} ^G
 Was just one ^F step I took to you ^G ^C ^G
 In strangers ^C passing by ^G
 To the castles ^{Am} in my eyes ^F
 And in the ^C busy streets and markets ^G ^{Am} ^G
 Where I look baby, I look for you

^F
 Ohh
 And I know it's a long ^C long road ^{Dm}
 That we walk together ^{Em} but as one ^{Dm}
 There's no longer ^C two
 Oh, me and you ^{Dm}
 When the road gets ^{Em} rough
 We gotta pull together ^{Dm} Ooh-oohh
^C ^{Dm}
 Ooo-oohh
^{Em} ^{Dm} ^G
 Ooh-oohh-oohh

^C ^G
 When the time no longer sides
 There'll be ^{Am} choices I won't decide ^F
 And when that ^C times comes ^G
 I'll go through it ^{Am} ^G
 With what I've learnt baby ^F ^G

^C
 From loving you
^F
 Ohh, ooh
^C ^{Dm}
 There's so many roads that you can go down
^{Em} ^{Dm}
 So many lonely lives can be found
^C
 Many lead nowhere
^{Dm}
 And I had my share
^{Em} ^{Dm}
 An' that lonely life just ain't that good
^C
 Yes I know (Yes I know, Yes I know)
^{Dm}
 It's a long long road
^{Em} ^{Dm}
 That we walk together, but as one
^C
 Yes I know (Yes I know, Yes I know)
^{Dm}
 It's a long long road (It's a long long road)
^{Em}
 That we walk together (That we walk together)
^{Dm}
 But as one (But as one)
^C
 There's no longer two (Yes I know, Yes I know)
^{Dm}
 Oh, me and you (It's a long long road)
^{Em}
 When the road gets rough (That we walk together)
^{Dm}
 We gotta pull together
^C
 Yes I know (Yes I know, Yes I know)
^{Dm}
 It's a long long road (It's a long long road)
^{Em}
 That we walk together (That we walk together)
^{Dm}
 But as one (But as one)
^C
 Yes I know
