

Paul Weller - That's What She Said

tom:
D

Intro: D Em

[Primeira Parte]

D Em
Ah, baby, look how big you grown

D Em
Been a long time since I've been back home

D Em
I'm sorry that I wasn't there to ever help you out

D Em
Now, I've come back to try to see if I can ever make it right

[Solo] D Em

[Segunda Parte]

D Em
Oh, daddy, Oh, where were you?

D Em
When I needed new shoes, someone to walk me to school?

D Em
That's when she said, "I never want to see your face again."

D
That's what she said to me

Em
Don't let me catch you 'round these ends again

[Refrão]

A
That's when it hit me

G
I can tell you

A
Though I deserved

G
Every word

A Bm

That was a pain I won't get over
G Gbm
To know that I'd hurt her so

[Solo] D Em D Em
D Em D Em

[Terceira Parte]

D Em
You see, sometimes, you can leave it too long

D Em
And you can't come around to what you made so wrong

D
You never had the time before

Em
So, why would you need more?

D
That's when she said to me

Em
"I never want to see you 'round here no more."

[Refrão]

A G
All of my life's been an illusion

A G
In and out high

A Bm
Committed a pain she can't get over

G Gbm
I can feel it, when I looked in her eyes

[Solo] D Em D Em
D Em D Em

[Final]

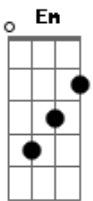

D Em
That's what she said to me

D Em
That's what she said to me
