

# Paul Weller - These City Streets

Tom: G

Intro: Em7 Am7

We disappear  
down the tracks  
The cardboard streets  
In parts of town

There's just you and I alone  
There's nobody else at home  
And I look into your eyes  
And I know why  
I'm in love with you  
I'm in love with you

[Interlude] Em7 Am7

These warm embraces  
They tell their stories  
Of warm embraces  
Oh, these city streets  
Oh, these city streets  
Oh, these city streets

[Interlude] Em7 Am7

But soon again  
We're blown along  
You know it won't take long  
You know it won't take long

To find our feet

There's just you and I alone  
There's nobody else at home  
And I look into your eyes  
And I know why  
I'm in love with you  
I'm in love with you  
I'm in love with you

These times and places  
And all the faces  
There's always somewhere  
Oh, these city streets  
Oh, these city streets  
Oh, these city streets  
[Interlude] Em7 Am7

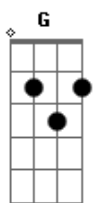

These warm embraces  
They tell their stories  
Of warm embraces  
Oh, these city streets  
Oh, these city streets  
Oh, these city streets  
Oh, these city streets

[Interlude] Em7 Am7

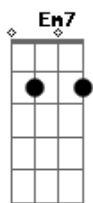

[Interlude 2] Am Bm E

Still got a way to go  
Oh, these city streets
