

Paul Weller - These City Streets

Tom: G

Intro: Em Am

We disappear
down the tracks
The cardboard streets
In parts of town

There's just you and I alone
There's nobody else at home
And I look into your eyes
And I know why
I'm in love with you
I'm in love with you

[Interlude] Em Am

These warm embraces
They tell their stories
Of warm embraces
Oh, these city streets
Oh, these city streets
Oh, these city streets
Oh, these city streets

[Interlude] Em Am

But soon again
We're blown along
You know it won't take long
You know it won't take long

To find our feet

There's just you and I alone
There's nobody else at home
And I look into your eyes
And I know why
I'm in love with you
I'm in love with you
I'm in love with you
I'm in love with you

These times and places
And all the faces
There's always somewhere
Oh, these city streets
Oh, these city streets
Oh, these city streets
[Interlude] Em Am

These warm embraces
They tell their stories
Of warm embraces
Oh, these city streets
Oh, these city streets
Oh, these city streets
Oh, these city streets

[Interlude] Em Am

[Interlude 2] Am Bm E

Still got a way to go
Oh, these city streets
