Take a look around me

Taking pages from a magazine

Been looking for the answer

Ever since we were seventeen

You know the truth can be a weapon

To fight this world of ill intentions

A new answer to the same question

How many times will you learn the same lesson?

I think they got it all wrong

We just got to hold on

And on, and on, and on

Cause we're gonna be legends

Gonna get their attention

What we're doing here aint just scary

It's about to be legendary

Yeah we're gonna be legends

Gonna teach 'em all a lesson

Got this feeling that we're so sweet caring

It's about to be legendary

This is what we came for

And we couldn't want it anymore

We could never turn back now

Got to leave it all on the floor

Been dreaming of the payoff

Through the struggles and the trade-offs

Write in truth heading on the way up

Tell them the truth but they think it's just made up

I think they got it all wrong

We just got to hold on

And on, and on, and on

Cause we're gonna be legends

Gonna get their attention

What we're doing here aint just scary

It's about to be legendary

Yeah we're gonna be legends

Gonna teach 'em all a lesson

Got this feeling that we're so sweet caring

It's about to be legendary

Eventually their gonna know who's right

To make a stand you got to win the fight

Can't stand the heat then just stay out the light

For I might not make it out alive

You gotta live without the columbines

They never want to hear your battlecry

(Gbm E Bm D)

Yeah we're gonna be legends

Gonna get their attention

What we're doing here aint just scary

It's about to be legendary

Yeah we're gonna be legends

Gonna teach 'em all a lesson

Got this feeling that we're so sweet caring

It's about to be legendary
