

Werren Zeiders - Ride The Lightning

tom:

Em

Mama always said I was born on the wild side
One foot in the flames and the other trying to walk the line
Can't say I never saw it coming
I could see the warning signs
Mama always said I was born on the wild side

C
I guess mama was right
Cause when the clock strikes midnight

Em
Gonna ride the lightning
Feel the thunder
Till the darkness pulls me under

Em
Gonna fly on
Wings of fire
Pray the good Lord leads me higher

Em G D A
Singing oh, when they call me home
Em G D A
Singing, oh, when they call me home
E G D A
