

Wesley Ignacio - The Christmas is Coming Now

Tom: D

The Christmas is coming now
 The Christmas is coming now
 The Christmas is coming now
 The Christmas is coming now
 The Christmas is coming now

The precious time is now
 I'm going to prepare now
 The trees and the lights on wall
 all snow starts to fall

The Christmas isn't another day
 It's a special holiday
 'Cause this feeling is a different way
 on chimney I'll stay

Sing I'll stay
 Si, si, si, sing I'll stay (7x)

The Christmas is coming now
 The Christmas is coming now

The Christmas is coming now
 The Christmas is coming now
 The Christmas is coming now

Si, si, si, sing I'll stay
 Si, si, si, sing I'll stay
 Sing I'll stay
 Si, si, si, sing I'll stay

(Sing I'll stay
 Si, si, si, sing I'll stay (4x))

(Isn't another day, isn't, isn't another day (4x))

The Christmas is coming now
 The Christmas is coming now

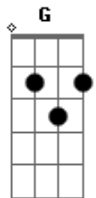

The time of the joys
 The time of the family is now
 The Christmas is coming now

The time of the joys
 The time of the family is now
 The Christmas is coming now
