

Wesley Safadão - Psiquiatra do Bumbum (part. Léo Santana)

Tom: G

Ei, minha paciente, deixa eu te falar
 Acabei de ver o exame, é, deu positivo
 Vai ter que trazer o bumbum para regular
 Relaxa, vou dar um jeito, deixa comigo
 Sou psiquiatra do bumbum

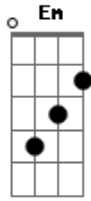

E seu bumbum tá endoidado

Tá descendo torto
 Subindo empinado
 Regula esse bumbum
 Regula esse bumbum
 Regula esse bumbum
 Bumbum bumbum bumbum bumbum
