

Wesley Safadão - Tome Amor

Tom: A

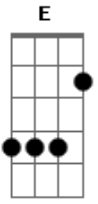

E tome Amor
 cada vez que a gente se encontra
 E tome amor
 Nosso love é massa, a gente apronta
 E tome Amor
 A galera comenta mas a gente nem ai

e o que dizem por ai
 Um beijo inocente na porta da escola entre você e eu
 Dois adolescentes descobrindo o amor olha no que deu
 Já faz 18 anos
 Já somos de maior
 Juntos fizemos planos
 Pra não ficarmos sós
