# Westlife - Better Man

Tom: B

[Primeira Parte]

```
B                              Gb
You and I had something special, baby
Abm                                    E
Something that you only see on movie screen
        B                        Gb
I know lately I've been missing you like crazy
        Abm                            E
Oh, why, why'd you let me in just to let me go?
```

[Pré-Refrão]

```
E         E
Most guys will get high when feeling low
Abm    Gb
But I don't think that that's the way to go
E         E
Sometimes I'll be sitting on my own
Gb4                            Gb
Thinking 'bout life, thinking 'bout you and me
```

[Refrão]

```
B
   How do you lose the one you love?
Gb
   After giving it all, you gave it up
Dbm
   Maybe my love wasn't enough
E               Gb
   You think you know, but you never can
B
   How do you lose your only plan?
Gb                              Dbm
   Well darling, just give me one more chance
                                   E
And I'll give you everything I have
         Gb           B
I'll try to be a better man
```

[Segunda Parte]

```
B                          Gb
I felt things when we were naked
Abm                          E
I saw an angel but they've hidden their wings
        B                        Gb
I know, everyone's got that special baby
        Abm                      E
Oh, why, now I only see you in my dreams
```

[Pré-Refrão]

[Ponte]

```
                            E
I've been up and I've been down
                              B
Think that's just what love's about
                              Gb
You took the words right out my mouth
                     Dbm
If you feel it, say it now
                              E
It's been a while but I've figured it out
                           B
But ain't that just what love's about?
                              Gb
You took the words right out my mouth
              Ab       Db
But if you feel it, say it now
```

[Refrão]

```
Db
  How do you lose the one you love? (How do you lose?)
Ab
   After giving it all, you gave it up
Ebm
   And maybe my love wasn't enough
Gb
   You think you know, but you never can
Db
   And how do you lose your only plan?
Ab                                Ebm
   Well darling, just give me one more chance
                                   Gb
And I'll give you everything I have
         Ab           Db
I'll try to be a better man
```
