

Westlife - Drive

Tom: C

Versel :

It's easy to fool around . It's harder to keep the faith
 But I wanna settle down . No matter what it takes
 If I ever break your heart . If I ever do you wrong
 I hope I never give you cause . To doubt where you belong
 If a million miles were between us . I'd want you to know
 Chorus:

If I had to drive all day . Take that flight
 Across the ocean . I'm coming home tonight
 Don't let it play on your mind . Cause my devotion is for all time
 Verse2 : Same as before
 Some people want it all . Some only want the fun
 But I'm here to let know that your always number one
 Some people let it show . Some people wait too long
 Well I'm gonna tell you now , that I'm all about the love
 If a million miles were between us
 I'd want you to know
 Chorus :
 Same as before
