

Westlife - Fool Again

Tom: E

E Abm
Baby, I know the story
Gbm
I've seen the picture
B E
It's written all over your face
Abm
Tell me, what's the secret
Gbm
That you've been hiding
B E
Who's gonna take my place
Gbm Abm
I should've seen it coming
A B
I should've read the signs
A B E
Anyway...I guess it's over

-CHORUS-

E Abm A
Can't believe that I'm the fool again
B E
I thought this love would never end
Abm A
How was I to know
B E
You never told me
E Abm A
Can't believe that I'm the fool again
B E
And I who thought you were my friend
Abm A
How was I to know
B E
You never told me

estrofe2 - (mesmos acordes estrofe1)

Baby, you should've called me
When you were lonely
When you needed me to be there
Sadly, you never gave me
Too many chances
To show you how much I care
I should've seen...

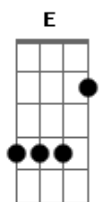

-Bridge-

A E
About the pain and the tears
Gbm
Oh, oh, oh
A Gbm
If I could, I would
B E
Turn back the time
Gbm
I should've seen...
