

# Westlife - I Don't Wanna Fight

Tom: B  
Intro: B

I can't sleep, everything I ever knew  
Is a lie without you

I can't breathe, when my heart is broke in two  
There's no beat without you

You're not gone but you're not here  
That's the way it seems tonight

If we could try to end these wars  
I know that we can make it right

Cause baby

I don't wanna fight no more  
I forgot what we were fighting for  
And this loneliness that's in my heart  
Won't let me be apart from you

I don't wanna have to try  
Girl to live without you in my life  
So I'm hoping we can start tonight  
'Cause I don't wanna fight no more

How can I leave, when everything that I adore  
And everything I'm living for  
Girl it's in you

I can't dream, sleepless nights have got me bad  
The only dream I ever had is being with you

I know that we can make it right  
It's gonna take a little time  
Let's not leave ourselves with no way out  
Let's not cross that line, that line

I don't wanna fight no more

I forgot what we were fighting for  
And this loneliness that's in my heart  
Won't let me be apart from you  
I don't wanna have to try  
Girl to live without you in my life  
So I'm hoping we can start tonight  
'Cause I don't wanna fight no more

Solo: B Abm Gb E Gb

Remember that I made a vow that I would never  
Let you go  
I meant it than I mean it now and I want to tell

You so  
I don't wanna fight no more  
I forgot what we were fighting for  
And this loneliness that's in my heart  
Won't let me be apart from you  
I don't wanna have to try  
Girl to live without you in my life  
So I'm hoping we can start tonight  
'Cause I don't wanna fight no more

I don't wanna fight no more  
I forgot what we were fighting for  
And this loneliness that's in my heart  
Won't let me be apart from you  
I don't wanna have to try  
Girl to live without you in my life  
So I'm hoping we can start tonight  
'Cause I don't wanna fight no more

It's all a lie  
Without you  
Without you
