

Westlife - No No

Tom: C
Intro: C - G - Am - F
C - G - F - F

C G Am F
Once, we had it all for the taking,
C G Am F
love was just me and you,

You better think twice,
G Am F
about the plans that you're making,
C G Am F
of splitting one world in two,

Refrain:
Dm
Put your mind in doubt, did you ever think about
F G
The things that we're missing,
Dm
Cant you make me see, what is best for me,
F G
cause I just won't listen, baby

Chorus:
C G Am
No no, No no,
F
I don't need nobody,
C G Am F
anyone to take your place but you,

C G Am
No no, No no,
F G
I just couldn't fall for anyone new,
C
nobody but you,

Girl, you are the life that i'm living,
I just can't go on without you,
Let's make it alright,
wake up to what we've been given,
remember the things we've been through,

I can't imagine,
the two of us apart,
Can't find a reason,
cause I still believe,
There's no one like you,
that is why I need,
nobody but you,

I just couldn't fall for anyone new,
nobody but you...
