

Westlife - No Place That Far

Tom: C

I can't imagine any greater fear
 Then waking up without you here
 And though the sun would still shine on
 My whole world would all be gone
 But not for long

If I had to run
 If I had to crawl
 If I had to swim a hundred rivers
 Just to climb a thousand walls
 Always know that I would find a way
 To get where you are
 There's no place that far

It wouldn't matter why we're apart
 Lonely mouths or two stubborn hearts
 Nothing short of God above

Could turn me away from your love
 I need you that much

If I had to run
 If I had to crawl
 If I had to swim a hundred rivers
 Just to climb a thousand walls
 Always know that I would find a way
 To get where you are
 There's no place that far

Oh If I had to run (if I had to run)
 If I had to crawl (if I had to crawl)
 If I had to swim a hundred rivers
 Just to climb a thousand walls
 Always know that I would find a way
 To get where you are
 That's no place that far
 Baby there's no place that far
