

Westlife - Queen Of My Heart

Tom: C

So here we stand^C
In our secret place^G
Where the sound of the crowd^G
Is so far away^C
And you take my hand^C
And it feels like home^G
We both understand^G
It's where we belong^C

So how do I say?^F
Do I say goodbye?^G
We both have our dreams^F
We both wanna fly^G
So let's take tonight^C
To carry us through^F
The lonely times^{C F C}

I'll always look back^{G C}
As I walk away^F
This memory will last^C
for eternity^G
And all of our tears^C
Will be lost in the rain^F
When I find my way back^C
to your arms again^F
But until that day^{Am}
You know you are^{G F}
The queen of my heart^{C F}
Queen of my heart^{C F}

So let's take tonight^C
Never let go^G
While dancing we'll kiss^G
Like there's no^C
As the stars sparkle down^G
Like a diamond ring^G
I'll treasure this moment^G
Till we meet again

But no matter how far^F (matter how far)
Away you may be^G
I just close my eyes (I just close my eyes)^{Am}
And you're in my dreams^{G F}
And there you will be^C
Until we meet^{F C G}
I'll always look back^{G C}
As I walk away^F
This memory will last^C
for eternity^G
And all of our tears^C
Will be lost in the rain^F
When I find my way back^C
to your arms again^{F C}
But until that day^{Am}
You know you are^{G F}
The queen of my heart^{C F}
Queen of my heart^{C F}
I'll always look back^{A D}
As I walk away^G
This memory will last^D
for eternity^A
And all of our tears^D
Will be lost in the rain^G
When I find my way back^D
to your arms again^{G D}
But until that day^{Bm}
You know you are^{A G}
The queen of my heart^D

^{G D}
Oh yeah...
You're the queen of my heart (of my heart)
No matter how many years it takes
(Queen of my heart)
I'll give it all to you
Oh yeah
(Queen of my heart)
Oh yes you are
The queen of my heart
