

Westlife - Swear It Again

Tom: **A**
Intro: **A** - **E** - D....

Verse:
..(**D**) N.C. A...
I wanna know
..(**A**)
Who ever told you I was letting go
Of the only joy that I have ever known
Girl, they're lying
..(**D**)... A...
Just look around
..(**A**)...
And all of the people that we used to know
Have just given up, they wanna let it go
But we're still trying
So you should know this love we share
was never made to die
I'm glad we're on this one way street
just you and I
Just you and I

Refrão:
A
I'm never gonna say goodbye
Cos I never wanna see you cry
I swore to you my love would remain
And I swear it all over again and I
I'm never gonna treat you bad

Cos I never wanna see you sad
I swore to share your joy and your pain
And I swear it all over again
All over again

Verse 2:

Some people say
That everything has got its place in time
Even the day must give way to the night
But I'm not buying
Cos in your eyes
I see a love that burns eternally
And if you see how beautiful you are to me
You'll know I'm not lying

Sure there'll be times we wanna say goodbye
But even if we try
There are something's in this life won't be denied
Won't be denied

The more I know of you
is the more I know I love you
And the more that I'm sure
I want you forever and ever more
The more that you love me, the more that I know
...E...
Oh that I'm never gonna let you go
...E...
Gotta let you know that I
