Verse 2:

Some people say
That everything has got its place in time
Even the day must give way to the night
But I'm not buying
Cos in your eyes
I see a love that burns eternally
And if you see how beautiful you are to me
You'll know I'm not lying

Sure there'll be times we wanna say goodbye
But even if we try
There are something's in this life won't be denied
Won't be denied
