

# Westlife - Us Against The World

Tom: G

You and I, we've been at it so long  
 I still got the strongest fire  
 You and I, we still know how to talk  
 Know how to walk that wire  
 Sometimes I feel like  
 The world is against me  
 The sound of your voice, baby  
 That's what saves me  
 When we're together I feel so invincible  
  
 Cause it's us against the world  
 You and me against them all  
 If you listen to these words  
 Know that we are standing tall  
 I don't ever see the day that  
 I won't catch you when you fall  
 Cause it's us against the world tonight  
 Us against the world  
 Against the world  
 There'll be days  
 We'll be on different sides but  
 That doesn't last too long  
 We find ways to get it on track  
 And know how to turn back on  
 Sometimes I feel  
 I can't keep it together  
 Then you hold me close  
 And you make it better  
 When I'm with you I can feel so unbreakable

Cause it's us against the world  
 You and me against them all  
 If you listen to these words  
 Know that we are standing tall  
 I don't ever see the day that  
 I won't catch you when you fall  
 Cause it's us against the world tonight  
 We're not gonna break  
 Cause we both still believe  
 We know what we've got  
 And we've got what we need alright  
 We're doing something right  
 Cause it's us against the world  
 You and me against them all  
 If you listen to these words  
 Know that we are standing tall  
 I don't ever see the day that  
 I won't catch you when you fall  
 Cause it's us against the world tonight  
 Cause it's us against the world  
 You and me against them all  
 If you listen to these words  
 Know that we are standing tall  
 I don't ever see the day that  
 I won't catch you when you fall  
 Us against the world  
 Yeah it's Us against the world, baby  
 Us against the world  
 Tonight  
 Us against the world  
 Against the world  
 Us against the world
