

Weyes Blood - A Lot's Gonna Change

tom:

Db

If I could go back to a time before now

Before I ever fell down

Go back to a time when I was just a girl

When I had the whole world

Gently wrapped around me

And no good thing could be taken away

If I still believe that hearts don't lie

You're gonna be just fine

But, babe

A lot's gonna change

In your lifetime

Try to leave it all behind

In your lifetime
