

Weyes Blood - Grapevine

tom:

If a man can't see his shadow
 He can block your Sun all day
 He can make you small
 He has the power to take his love away

Six hours on the grapevine
 And I feel kidnapped this time
 'Cause my baby thinks
 He always believes
 That he's always right

But I still think of him at night
 And ooh, you know I would
 Go back to the camp
 With the kerosene lamps in the woods
 Ooh, when you were mine
 And I was yours for ? time

On the grapevine
 On the grapevine

California's my body
 And your fire runs over me
 My car broke down
 In an old ghost town right around

Where they got James Dean
 Emotional Cowboy
 With no hat and no boots
 He stayed up all night
 Trying to beat up the Moon

And ooh, you know I would
 Go back to the camp
 With the kerosene lamps in the woods
 Ooh, when you were mine
 And I was yours for ? time

On the grapevine
 On the grapevine

Don't know when I'm gonna see you, boy
 Oh, I've been waiting for the time
 When I see the light
 Shining across the freeway late at night

Start to drift over the line
 And it hits me for the first time

Now we're just two cars passing by
 On the grapevine
 On the grapevine
 On the grapevine

Acordes
