

Wham! - The Edge Of Heaven

Tom: C
Intro: Am Am G D

Am
I would lock you up
Am
But I could not bear to hear you
G D
Screaming to be set free
Am
I would chain you up
Am
If I'd thought you'd swear
G D
The only one that mattered was me, me, me
Am
I would strap you up
Am
But don't worry baby
G D
You know I wouldn't hurt you 'less you wanted me to
Am
It's too late to stop
Am
Won't the heavens save me?
G D
My daddy said the devil looks a lot like you

F G
You take me to the edge of heaven
F G
Tell me that my soul's forgiven
F G
Hide you baby's eyes and we can
E

F G
You take me to the edge of heaven
F G
One last time might be forever
F G
When the passion dies
F E
It's just a matter of time before my heart is looking for a home

Am
I'm like a maniac
Am
At the end of the day
G D
I'm like a doggie barking at your door
Am
So come take me back
Am
To the place you stay
G D
And maybe we can do it once more
Am

You say I'm dangerous
Am
But don't worry baby
G D
I get excited at the things that you do
Am
And there's a place for us
Am
In a dirty movie
G D
'Cos no-one does it better than me and you

F G
You take me to the edge of heaven
F G
Tell me that my soul's forgiven
F G
Hide you baby's eyes and we can

F G
You take me to the edge of heaven
F G
One last time might be forever
F G
When the passion dies
F E
It's just a matter of time before my heart is looking for a home

Am Am G D
I ain't got no more worries
I'm gonna spend some times with you
Loving you takes such courage
And don't you think that I know it

F G
You take me to the edge of heaven
F G
You tell me that my soul's forgiven
F G
Hide your baby's eyes and we can

F G
You take me to the edge of heaven
F G
One last time might be forever
F G
Don't you tell me lies,
F E
Because believe me baby, one day you'll wake up on your own

Am Am G D
I ain't got no more worries
I ain't got no more time for you
Loving you takes such courage
Everyone's got their eyes on you
I ain't got no more worries
I ain't got no more time for you
Loving you takes such courage
And don't you think that I know it
