

Whipallas - Battlefield

Tom: F

Dm
Open that car
And drive for me
We are going to some no man's land
Gm
Let's lose ourselves
Dm
And nobody else

Dm
We are going far away from here
Where the sun burns like my heart
Gm
Let's lose ourselves
Dm
And nobody else

F **Gm** **Dm**
It's a kind of war or even more
F **E7**
A
The difference is that both sides win nothing at all

Gm **Dm**
Do you know how I feel?
A7 **Dm**
It tastes surreal

Dm
Don't wait for the books to tell what happens to us now
A7 **Dm**

Let's be ourselves

And nobody else
