

White Lies - Farewell To The Fairground

Tom: C

Afinação: D G C F A D (

Am C D)

^{Am}
The lights still in our eyes,
^C
We're leaving this old fairground behind,
^D
It's a dream that's growing cold.
^{Am}
The circus never dies,
^C
The act forever haunts these skies,
^D
I know we cannot stay.

^{F G Am Em G}
Farewell to the fairground, these rides aren't working any more.
^{F G Am Em G}
Goodbye to this dead town, until the ice begins to thaw.
(Am C D)

^{Am}
This place used to gleam,
^C
I'd see it in my hopeful dreams,
^D
Now I have to get away.
^{Am}
We move towards the stars,
^C
And all that we touch becomes ours,
^D
Let's keep warm til it's day.

^{F G Am Em G}
Farewell to the fairground, these rides aren't working any more.
^{F G Am Em G}
Goodbye to this dead town, until the ice begins to thaw.

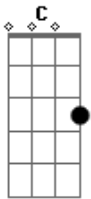

^{F G Am}
We'll head south just hold my hand now,
^{Em G}
I feel like I'm casting off my clothes,
^{F G Am}
And I'm running through the snow towards the sunset,
^{Em G}
And I'm always with you
(C G Am)

^C
Keep on running, keep keep on running
^{G Am}
There's no place like home, there's no place like home. x6

^{F G Am}
