

White Lies - To Lose My Life

Tom: **Db**

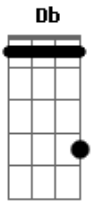

Eb
He said to lose my life or lose my love
Ab
That's the nightmare I've been running from
Eb
So let me hold you in my arms a while
Ab
I was always careless as a child
Eb
And there's a part of me that still believes
Ab
My soul will soar above the trees.
Eb
And now the desperate fear runs through my blood
Ab
That are dead loves buried beneath the mud
Eb
Lets grow old together
E Gb
and die at the same time
Eb
Lets grow old together
E Gb
and die at the same time

I said I got no time I have to go
And I was more right then than I'll ever know
He said my heart is fake well mines regrets
Left him crying next to the chapel steps

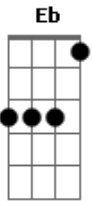

Lets grow old together and die at the same time
Lets grow old together and die at the same time
He said
Lets grow old together and die at the same time
Lets grow old together and die at the same time
You said

He said to lose my life or lose my love
That's the nightmare I've been running from
So let me hold you in my arms a while
I was careless as a child
And there's a part of me that still believes
My soul will soar above the trees.
And now the desperate fear runs through my blood
That are dead loves buried beneath the mud
And now the desperate fear runs through my blood
That are dead loves buried beneath the mud
