

White Plains - My Baby Loves Lovin

Tom: **Bb**

(forma dos acordes no tom de **G**)
 Capotraste na 3ª casa

My baby loves love my baby loves lovin'
 She's got what it takes and she knows how to use it
 My baby loves love my baby loves lovin'
 She's got what it takes and she knows how to use it

I was lonely once in this great big world
 Just a nowhere man without his girl
 Then one day she came my way

And she smiled at me as if to say
 She's the only one makes me feel so good
 She believes my love so I knock on wood
 All my sorrows and fears seem to fly away
 When she looks at me as if to say

My baby loves love my baby loves lovin'
 She's got what it takes for me
 No more lonely nights just waitin' for the
 Telephone to ring
 No more lonely days my baby's takin' care
 Of everything I'm tellin' you people
