

Whitehorse - Devils Got a Gun

Tom: C

Intro: Am E E Am

Am E Look out, this thing is gonna blow
 I heard it from the people in the know
 There's trouble in the tenements below
 There's fire where the flowers used to grow

C G Am I'm never going back
 C I'm running from the sun
 F Bullets at my heels
 C The Devil's got a gun

C G Am I'm never going home
 C I'll be the only one
 F With daylight on my tail
 C And Heaven on the run

Am E Rain is jumping up into the clouds
 Am A girl has ceased to make her father proud
 E Lovers wrapped up in cellophane
 Am The bitter fruit has fallen from its prey

C G Am I'm never going back
 C I'm running from the sun
 F Bullets at my heels
 C The Devil's got a gun

C G Am

I'm never going home
 C I'll be the only one
 F With daylight on my tail
 C And Heaven on the run
 C G Help me, I know not who I see
 Dm Am I'm a stranger to the face looking back at me
 F C When a company of sisters is just like any mystery to me
 C G Hold me, I know not who I am
 Dm Am If I'm a woman, you're a creature, not a man
 F C The eyes of a lover- they look like any other to me
 Am E It's down to the second hand
 Am The tick-tock is more than you can stand
 E The grinders and the wheels they never see
 Am We're fighting to the bottom of the deep
 C G Am I'm never going back
 C I'm running from the sun
 F Bullets at my heels
 C The Devil's got a gun
 C G Am I'm never going home
 C I'll be the only one
 F With daylight on my tail
 C And Heaven on the run
 F With daylight on my tail
 C And Heaven on the run
