

Whitehorse - Devils Got a Gun

Tom: C

Intro: Am E E Am

Am E
Look out, this thing is gonna blow
I heard it from the people in the know Am
There's trouble in the tenements below E
There's fire where the flowers used to grow Am

C G Am
I'm never going back
I'm running from the sun C
Bullets at my heels F
The Devil's got a gun C

C G Am
I'm never going home
I'll be the only one C
With daylight on my tail F
And Heaven on the run C

Am E
Rain is jumping up into the clouds
A girl has ceased to make her father proud Am
Lovers wrapped up in cellophane E
The bitter fruit has fallen from its prey Am

C G Am
I'm never going back
I'm running from the sun C
Bullets at my heels F
The Devil's got a gun C

C G Am

I'm never going home
I'll be the only one C
With daylight on my tail F
And Heaven on the run C
C G
Help me, I know not who I see
I'm a stranger to the face looking back at me Am
When a company of sisters is just like any mystery to me G
Hold me, I know not who I am C
If I'm a woman, you're a creature, not a man Am
The eyes of a lover- they look like any other to me G
Am E
It's down to the second hand
The tick-tock is more than you can stand Am
The grinders and the wheels they never see E
We're fighting to the bottom of the deep Am
I'm never going back C
I'm running from the sun C
Bullets at my heels F
The Devil's got a gun C
C G Am
I'm never going home
I'll be the only one C
With daylight on my tail F
And Heaven on the run C
With daylight on my tail F
And Heaven on the run C
