

Whitesnake - Looking For Love

Tom: G

I'm tired of waiting - And closing my eyes
 I'm asking myself - Why is it all my horizons
 Are so far away

I look in the mirror - Don't like what I see
 In my reflection - A stranger is staring at me
 Looking for love

The love of a woman - The needs of a man
 I try so hard to believe but I don't understand
 The search goes on

But over the mountains - Across the sea

I know love is waiting - I hear it calling to me
 Calling my name

(Chorus)
 I'm looking for love all around me
 Looking for love to surround me
 The love that I need To rescue the state of my heart

Alone again, it's always the same

I've just been marking my time
 Since the day I was born With no one to blame

The candle is burning - It's way down low
 I just need someone to show me the way - the way to go
 Which way to go.
