

# Whoopie Cat - When She Goes

Tom: F

Dm - G - C - Gm

Am - F - C - E

Am F  
Oh, when she goes

C  
Her love tears like hooks in my soul

Am  
And it burns like the fire from hell, 'til shes back here to hold

And her skin acts like ice to the burn

E  
See, I dont know anyone else that can make me feel like I'm at home

Am  
And I'm out of my mind

F  
And its all like a dream

C  
When nothing is ever it seems

Em E  
And the walls start to close around me

Am  
And theres no where to run

F  
I breathe deep as I start to come down

C  
Breathe so deep I feel I'll drown

Em E  
'Til the voice brings me back to her

Dm G C  
We all fall down, but baby I figured it out

Gm  
Seems like I'm out of my mind

Dm G C  
Just breathe slow down, try not to work it all out

Gm  
All that we've got is just time

Am F

Oh, I'm washed out stoned

C  
See, my mind has been dazed for so long

Em E Am  
That it feels like there's no going back to the person I was

F  
When I'm trapped in the shelter of home

C Em  
See, I don't know anyone else that can make me feel like theres no hope

E  
See, I don't know anyone else that can make me feel like theres no hope

Am F  
And I'm out of my mind, replaying the scene

C  
As these thoughts start to asphixiate me

Em E Am  
Drag me on down to the deep where no one should go

F  
I breathe deep as I start to come down

C  
Breathe so deep, I feel i'll drown

Em E  
'Til the voice brings me back to her

Dm G C  
We all fall down, but baby I figured it out

Gm  
Seems like I'm out of my mind

Dm G C  
Just breathe slow down, try not to work it all out

Gm  
All that we've got is just time

Dm G C  
We all fall down, but baby I figured it out
