

# Why Don't We - Cold In LA

tom:  
 Db (forma dos acordes no tom de C )  
 Capostrate na 1ª casa

I'm a little bit shy  
 I'm a little bit right on time  
 And I know that you don't operate the same  
 Are you feelin' alright?  
 Cause I really can't tell sometimes  
 I wanna know what's going on inside your brain  
 Just come a little bit closer  
 'Cause I don't know if I know you yet  
 Yeah, there seems to be something new everyday  
 Why do I really wanna hold you?  
 Why do I want you so bad?  
 Yeah, you're beautiful but something's in my way  
 Yeah, we started with a good night  
 Then it turned to day  
 Never thought that we would  
 Ever say the things we say  
 To each other but we're  
 Here, just starin face to face  
 Why don't you just stay with me?  
 Don't walk away  
 Cause it's cold in LA  
 Every time that you leave me behind  
 Just stay at my place  
 'Cause I can tell by the way  
 You're lookin at me, you'll be fine  
 Is your body talkin?  
 Cause you don't know what to say  
 Do you do this often?  
 Is it all just a game to you, I'm wonderin  
 Never seen this sort of thing  
 Am I the only one you came to see?  
 Yeah, we started with a good night

Then it turned to day  
 Never thought that we would  
 Ever say the things we say  
 To each other but we're  
 Here, just starin face to face  
 Why don't you just stay with me?  
 Don't walk away  
 Cause it's cold in LA  
 Every time that you leave me behind  
 Just stay at my place  
 'Cause I can tell by the way  
 You're lookin at me, you'll be fine  
 (Oh-oh-oh, oh-oh-oh)  
 (Oh-oh-oh, oh-oh-oh) You'll be fine either way  
 (Oh-oh-oh) But I wish you'd stay  
 No, no, no (Oh-oh-oh)  
 Yeah, we started with a good night  
 Then it turned to day  
 Never thought that we would  
 Ever say the things we say  
 To each other but we're  
 Here, just starin' face to face  
 Why don't you just stay with me?  
 Don't walk away  
 Cause it's cold in LA  
 Every time that you leave me behind  
 Just stay at my place  
 'Cause I can tell by the way  
 You're lookin at me, you'll be fine either way  
 'Cause it's cold in LA  
 Every time that you leave me behind  
 You'll be fine either way  
 'Cause I can tell by the way  
 But I wish you'd stay  
 You lookin' at me, you'd be fine
