tom:
 Yeah ^G
^D ^G ^D ^G
 I saw you movin' on the dance floor ^D
 I caught you lookin' over at me and my friends ^G
 Got my attention, now I want more ^D
 I think we both know how this night's gonna end ^G
 The way that you move your hips to the rhythm of the beat ^D
 You got me so nervous, think I need another drink ^G
 But then you grabbed my hand, said, "Baby, come with me" ^{Bm}
 This wasn't a part of the plan, no ^G ^A
 But you look, you look so perfect dancing next to me ^{Em} ^A
 I wish the sun would look the other way ^{Em} ^A
 'Cause I never want this night to end ^D
 Baby, we could turn back time ^G
 Do it all over again ^D
 Tomorrow we can press rewind ^G
 We're staying at the Lotus Inn ^D
 Baby, we could turn back time ^G
 Do it all over again ^{Bm}
 Tomorrow we can press rewind ^G
 I never want this night to end ^A ^D
 Played you this song up on the stereo (What? Yeah) ^D
 You played it over and over again ^G
 Before it even hit the radio, oh-woah-oh ^D
 Now they spin it over and over again ^G
 We've had a few good nights and a couple of bad ones ^D

^G
 A few bad fights but I'm glad that they happened
 And at the ^{Bm} end of the night, I can honestly say
 I'd do it over and over and over again, yeah ^G ^A
 But you ^{Em} look, you look so perfect dancing next to me ^A
 I wish the sun would look the other way ^{Em} ^A
 'Cause I never want this night to end ^D
 Baby, we could turn back time ^G
 Do it all over again ^D
 Tomorrow we can press rewind ^G
 We're staying at the Lotus Inn ^D
 Baby, we could turn back time ^G
 Do it all over again ^{Bm}
 Tomorrow we can press rewind ^G
 I never want this night to end ^A ^D
 Ayy-yeah, ayy-yeah-eh ^G
 Ayy-yeah, ayy-yeah-eh ^{Bm}
 Ayy-yeah, ayy-yeah-eh ^G
 Oh yeah yeah, ee-yeah yeah, yeah yeah ^A ^D
