

why mona - Rabbit Hole

tom:

Green dreams it seems are comin' true
 For you, for you
 Bright night tonight's following me
 I see, I see
 It's a long, long way down
 Ooh, but

I got a secret
 Yeah, I've been reaching up to the sky
 I got the power now
 Quietly takin' a bow
 Then wondering why somehow
 I got the power now
 I like it just fine
 I like it just fine
 I like it just fine
 I like it just fine

Same games with new rules and new names
 And no one left to blame
 I think they call it fame
 Bearing in mind, it takes a toll

Descend the rabbit hole
 And hold onto your soul
 It's a long, long way down
 Ooh, but

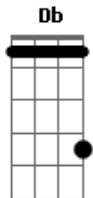

I got a secret
 Yeah, I've been reaching up to the sky
 I got the power now
 Quietly takin' a bow
 Then wondering why somehow
 I got the power now
 I like it just fine
 I like it just fine
 I like it just fine
 I like it just fine
 (C Ab F)
 (C Ab F C)
 Into an end of mountains and seas
 For the chaos will go to the breeze
 And I'm trying to be something other than me
 In my mind, I am free

I got a secret
 Yeah, I've been reaching up to the sky
 I got the power now
 Quietly takin' a bow
 Then wondering why somehow
 I got the power now
 I like it just fine
 I like it just fine
 I like it just fine
 I like it just fine
 And I'll be just fine
